Medical Record Request Processing Fees

Springfield Clinic has partnered with CIOX Health to fulfill your request for a copy of your medical record. Springfield Clinic has chosen to charge our patients discounted rates from the regulated fees in the State of Illinois.

Please see details of rates for paper copies for Patient Requests at the Illinois Comptroller's website for Copying

Fees Adjustments.								
The fee should be remitted to CIOX Health Technologies as directed on the CIOX Health invoice you receive.								
Fax or forward this completed authorization for processing to the Correspondence Section, HIM Department. This authorization does not replace the Springfield Clinic's verbal authorization.								
Correspondence Fax Numbers: (217) 527-2887 or (217) 527-4748 Correspondence Phone Number: (217) 528-7541 Ext. 43749 or toll free (800) 444-7541 Ext. 43749 Mailing address: Springfield Clinic – Attention: Correspondence, 1025 S. 6 th Street, PO Box 19248 Springfield, IL. 62794-9248								
Dear Patie	ent:							
	eld Clinic, we continually strive to better serve our patients. You can assist us in evaluating our endeavors by oment to let us know why you have asked to have your records transferred. Your response is important to us, an clcome.							
	My physician, Dr, is no longer with the Clinic.							
	I have moved to a new town and will be seeking care there.							
	I desire a second opinion regarding the proposed treatment.							
	My insurance no longer covers my doctor's services.							
	My insurance company has requested that I obtain this information for an application or a claim.							
	My records are necessary in order to meet school or job-related requirements.							
	Other:							

Springfield Clinic is committed to providing quality, caring, ethical, and accessible services through a patient-oriented organization. We continue to diversify our wide range of specialty services in an attempt to provide a full range of medical care. We would welcome any further comments you may wish to make.
